So, she says it's time she goes
but wanted to be sure I know
she hopes we can be friends
I think, yeah, I guess we can say I
but didn't think to ask her why
she blocked her eyes and drew the curtains
with knots I've got yet to untie...

what if I were Romeo in black jeans
what if I was Heathcliff, it's no myth
maybe she's just looking for
someone to dance with

See, it was just too soon to tell
and looking for some parallel
can be an endless game
We said goodbye before hello
my secrets she will never know
and if I dig a hole to China
I'll catch the first junk to Soho

what if I were Romeo in black jeans
what if I was Heathcliff, it's no myth
maybe she's just looking for
someone to dance with

Sometime from now you'll bow to pressure
some things in life you cannot measure by degrees
I'm between the poles and the equator
don't send no private investigator to find me please
'less he speaks Chinese
and can dance like Astaire overseas

what if I were Romeo in black jeans
what if I was Heathcliff, it's no myth
maybe she's just looking for
someone to dance with
