Hey man, are you ready to go

Down where you reach a higher low

Mmm, you can breathe the sweet & sacred air

For the woman waiting there

Underground

Wisdom is only a relative experience

Life is a dream

Not what it seems

For the obscene

Out of the underground

Feeling is only a relative experience

I don't believe it

What does it mean

For the obscene

Down where you reach a higher low

Solo

Wisdom is only a relative experience

Feeling is only a relative experience

Life is a dream

Not what it seems

For the obscene

Out of the underground

I don't believe it

What does it mean

Down where you reach a higher low

Out of the underground
