There's a rose
In a fisted glove
And the eagle flies,
Flies with the dove
So if you can't be with the one you love,
Love the one you're with
Love the one you're with
Love the one you're with

If you're down
And you're confused
And you don't remember who you're talking to
Your concentration has swept away
Because your baby is so far away

There's a rose
In a fisted glove
And the eagle flies,
Flies with the dove
And if you can't be with the one you love,
Then love the one you're with
Love the one you're with
Love the one you're with

Don't be angry
And don't be sad
Just keep smiling
And thinking about all the good times that you had
'Cause there's somebody right next to you
And they're just waiting for something to do

There's a rose
In a fisted glove
And the eagle flies,
Flies with the dove
And if you can't be with the one you love,
Then love the one you're with
Love the one you're with
Love the one you're with

There's a rose

In a fisted glove
And the eagle flies,
Flies with the dove
And if you can't be with the one you love,
Then, love the one you're with
Love the one you're with
Love the one you're with

Well turn your heartache right into joy
'Cause you're a girl
And hey, I'm a boy
Let's get together
And recognize that sooner or later
We ain't gonna need no more vibes

There's a rose
In a fisted glove
And the eagle flies,
Flies with the dove
And if you can't be with the one you love,
Then, love the one you're with (I've got to fly like an eagle)
Love the one you're with (till I'm free)
Love the one you're with (fly like an eagle let my spirit carry me)

There's a rose
In a fisted glove
And the eagle flies,
Flies with the dove
And if you can't be with the one you love,
Then, love the one you're with
Love the one you're with
Love the one you're with
