This is a ghetto public announcement (weed smokers)

Roll your blunts tight

And light your joints

Inhale...slowly exhale

And that's how you get high.

(clip from Friday)

I know you don't smoke weed...i know this

But im gonna get you high today.

Cause its Friday, you aint got no job, and you aint got
shit to do.

Pass me da green, i need some weed with my
hennessy (repeat 8 times)

(Inhale....exhale) Eyes selling red, got my dank from
the Bahamas

Went to see my girl smoke some green with her mama.

Jumped in my Cutlass on the way to the liquor store.

Picked up some blunts, got ten on the 2-0.

Fix these palm trees wit some green leaves

Got a nigga's head spinning like the seven seas.

Puff, puff, pass, nigga that's what Simon say

Fools that hog the green or da weed gonna get carried
away.

Fingernails burnt, lookin like a tweeker

Ears steadily poppin, but not from the speakers

Green got me hungry, feindin' for them munchies

cause real smokers dont blow no fuckin green on
empty stomachs

Pass me da green, I need some weed with my
hennessy (repeat 4 times).

Green trees pack wood, make cabbage

I like to get high but it aint a bad habit.

??????? with that weed smoke comin out my lac

Got a ??? in the front and one in the back

Blowin shotguns to me and my homie

I feel like this weed make a young nigga horny

I stopped the fuckin lac at Holiday Inn

I aint even trippin, told the girls to come in

Laid her down steady cause she know im ready

Choppin up weed like muthafuckin spaghetti

Hoes down south must know voodoo

cause every time i hit the weed im lookin for Isuzus

Pass me da green, i need some weed with my
hennessy (repeat 5 times)
Yall high yet?
Pass me da green, I need some weed with my
hennessy(repeat 3 times)
Damn nigga yall chokin, get the fuck out of here nigga.
Pass me da green i need some weed with my hennessy
Nigga I said are yall high yet?
Pass me da green i need some weed with my
hennessy(repeat 3 times)
Oh, you think you trippin now huh?
