Every day of my life they say the same old thing
Hey boy! Oh boy, you better wait for your turn
And every day of my life I get the same old line
Hey boy! Oh boy, when are you going to learn
I wanna go on the red, I wanna go on the green
I wanna go on all colors that I see in between
I wanna run all the tolls, I wanna run all the signs
I wanna run all the way across a double white line
But every day of my life I see the same old road
Hey girl! Oh girl, we gotta pull up our routes
And every day of my life I see the same old dream
Hey girl! Oh girl, I need a dream I can use
I wanna go on the red, I wanna go on the green
I wanna go on all colors that I see in between
I wanna run all the tolls, I wanna run all the signs
My body is the car and my soul is the ignition
Your love will be the key and we'll jockey for position till
we -

Chorus:

Peel out! Peel out! Peel out! We're sick and tired of
waiting in line
Peel out! Peel out! Peel out! Nobody's taking our time
Peel out! Peel out! Peel out!
Tire tracks and broken hearts, that's all we're leaving
behind
There oughta be a law and there better be a crime
There oughta be a law and there better be a crime
(Instrumental break)
And every night of my life there's something holding
me back
Hey girl - what is it boy - oh girl, I know it's time to cut
loose
And every night of my life I dream of someone like you
Hey girl - what is it boy - oh girl, you got a dream I can
use
Tire tracks and broken hearts, that's all we're leaving
behind
My body is the car and my soul is the ignition
Your love will be the key and we'll jockey for position till
we -
chorus repeats 3x
