I wanna talk to the ladies tonight
About situation I'm pretty sure y'all be able to relate to
Trust me

Today I'm not feelin pretty
See I'm feeling quite ugly
Havin one of this days
When I cant make up the ???
So don't even look at me
See I don't wanna hear your problem
Cause I'm having some of my own
I know it was not your fault
That I'm feelin down
I just wanna be left alone

Down I'm now in depression
I think the worst of everything
My low was back and seeking
And my close don't feel
Now aint that a bitch

Got an attitude and I aint talkin to you
Won't to you if the shoe fill
I don't care what you think about me
I don't need you cry around me
I don't nedd it, no no
PMS

Go through something in nights
Is the some at day
I don't need to understand
Where I'm coming from tonight
See I'm feelin messin
Told you, you would be able to late tonight
Hallo was back he say
PMS

And I don't know what I'm gonna do
I'm fulfilled stressed
I want y'all to hear what I'm sayin
PMS, PMS, PMS

Understand what I'm sayin tonight
Understand where I'm comin from
Feelin really bitch yeah
And I don't feel like be a nice to nobody
Don't feel like smilin no
Don't feel like smilin no no
See I already know that I'm talkin
PMS

And I don't need you to remind me
See cause PMS
Is takin no all right now
if you understand, understand where I'm comin from
Sing along, PMS
This is the worst part of everything
The worst part of being a woman is PMS
Give me a brake, give me a brake
Cause I don't wanna have to set it on tonight
