Yeah

C'mon

C'mon

Ya like to have money in your pocketbook

That's alright

Ya gotta lotta sense

Runnin' through your bones

And that's alright

Your mama got to be fine

Your probably breastfed

'Cause you look all healthy

Ooh

With your tinted pretty eyes

Put on

?

With the swerve in your hip

Order

Can I get a drink?

Yeah

Yes you can

Pull the bar from your purse

Tip

Start singin' my shit

With the chorus

First

Ya like to have money in your pocketbook

That's alright

Ya gotta lotta sense

Runnin' through your bones

And that's alright

You like to be in the know

With all the major figures

And  
That's alright  
You like to hang out and shake that thing  
Mmm  
And that's alright

Girl gotcha own thing  
You know everybody  
High class  
Mediocre  
The riff raff  
Love is the root politic  
Read between the paragraph  
You know what you make after taxes  
You like get free  
You've been to cuba  
And you don't watch tv  
You only get greedy  
For the power of the p  
And me  
Yeah

Ya like to have money in your pocketbook  
That's alright  
Ya gotta lotta sense  
Runnin' through your bones  
And that's alright

You like to be in the know  
With all the major figures  
And  
That's alright  
You like to hang out and shake that thing  
All night  
And that's alright

Yeah, ooh  
How that feel?  
How'd that feel baby  
Whatcha feel?  
What ya feel baby

That's alright  
Ya gotta lotta sense  
Runnin' through your bones

And that's alright

Ooh, hey  
Looka here  
What you got?  
C'mon  
Looka here  
I like the way you switch  
When you walk by  
Everything  
You know that you wanna try  
Don't be ashamed  
'Cause I can make it feel  
Real  
Good

Get it

So grab your ass  
I mean my purse  
Hit me with that chorus first  
Check it

Ya like to have money in your pocketbook  
That's alright  
That's alright  
Ya gotta lotta sense  
A lotta sense c'mon  
Runnin' through your bones  
Yeah  
And that's alright

You like to be in the know  
With all the major figures  
And  
That's alright  
You like to hang out and shake that thing  
Mmm  
And that's alright

Ya like to have money in your pocketbook  
That's alright  
Ya gotta lotta sense  
Runnin' through your bones  
And that's alright

You like to be in the know  
With all the major figures  
And  
That's alright  
You like to hang out and shake that thing

All night  
And that's alright

With all the major figures  
And  
That's alright  
You like to hang out and shake that thing  
All night  
And that's alright
