Ain't the pictures enough, why do you go through so
much
To get the story you need, so you can bury me
You've got the people confused, you tell the stories you
choose You try to
get me to lose the man I really am You keep on stalking
me, invading my
privacy Won't you just let me be 'Cause your cameras
can't control, the
minds of those who know That you'll even sell your soul
just to get a story
sold

I need my privacy, I need my privacy
So paparazzi, get away from me

Some of you still wonder why, one of my friends had to
die
To get a message across, that yet you haven't heard
My friend was chased and confused, like many others I
knew
But on that cold winter night, my pride was snatched
away
Now she get no second chance, she just ridiculed and
harassed Please tell me
why Now there's a lesson to learn, respect's not given,
it's earned Stop
maliciously attacking my integrity

I need my privacy, I need my privacy
So paparazzi, get away from me

Now there's a lesson to learn, stories are twisted and
turned Stop
maliciously attacking my integrity

I need my privacy, I need my privacy
So paparazzi, get away from me

I need my privacy, I need my privacy
So paparazzi, get away from me

I need my privacy, I need my privacy
So paparazzi, get away from me
