She said I don't know if I've ever been good enough
I'm a little bit rusty, and I think my head is caving in
And I don't know if I've ever been really loved
By hand that's touched me, well I feel like something's
gonna give
And I'm a little bit angry, well

This ain't over, no not here, not while I still need you
around
You don't owe me, we might change
Yeah we just might feel good

(Chorus)

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted, I wanna take you for
granted, yeah I will, I will

Well I will

She said I don't know why you ever would lie to me
Like I'm a little untrusting when I think that the truth is
gonna hurt ya
And I don't know why you couldn't just stay with me
You couldn't stand to be near me
When my face don't seem to want to shine
'cuz It's a little bit dirty well

Don't just stand there, say nice things to me
I've been cheated I've been wronged you,
And you don't know me, I can't change
I won't do anything at all

(Chorus)

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted, I wanna take you for
granted, yeah I will, I will

Oh but don't bowl me over
Just wait a minute well it kinda fell apart, things get so

crazy, crazy
Don't rush this baby, don't rush this Baby, baby

(Chorus)

I wanna push you around, well I will, well I will
I wanna push you down, well I will, well I will
I wanna take you for granted, yeah, yeah, yeah
I wanna take you, take you, yeah, well I will, I will, I will, I
will
I will, I will, I will, Yeah, yeah, push you around,
I'll drag you down, I wanna push you around
Well I will
