Where my ladies at?  
Where the fellas at?  
Now where the dogs at?  
Where the cats at?

Pussycats  
(Yeah all the ladies)  
Keep it tight  
(Say what?)  
Even if they bark all night  
(Now lemme see y'all wave your hands from side to side)  
With a knick knack patty wack  
Don't give a dog a bone  
Cause if he hit it  
You gonna be all alone

Mama you should've seen what he done to me  
I said mama  
I should've took your advice

Cause Palo was a woman's thorn  
Wherever he laid his hat was his home  
Stay away from those hot boys  
Cause I don't want you to get burned

Pussycats  
(Shut 'em down, shut 'em down)  
Keep it tight  
(No matter what they do)  
Even if they bark all night  
(All night, all night)  
With a knick-knack patty wack  
Don't give a dog a bone  
Cause if he hit it  
You gonna be all alone

Said pussycats  
(Said shut 'em down, keep it closed)  
Keep it tight  
(No matter what they may do)

Even if they bark all night  
(All night, all night)  
With a knick-knack patty wack  
Don't give a dog a bone  
Cause if he hit it  
You gonna be all alone

Girlfriend  
Innocent woman on the streets  
Fed into seduction  
After wanting the street poetry

Like a virgin touched for the very first time  
She got open unaware of the seven signs  
She fell victim to the darker side  
But I'm here to tell you why

Said pussycats  
(Said shut 'em down, shut 'em down)  
Keep it tight  
(They can say whatever they want to)  
Even if they bark all night  
(All night, all night)  
With a knick-knack patty wack  
Don't give a dog a bone  
Cause if he hit it  
You gonna be all alone

Pussycats  
(Pussycats, pussycats)  
Keep it tight  
(All y'all keep it tight, keep it tight)  
Even if they bark all night  
(All night, all night)  
With a knick-knack patty wack  
Don't give a dog a bone  
Cause if he hit it  
You gonna be all alone

The fellas, the ladies uh  
The dogs, my cats uh

1 - No matter what they do  
No matter what they say  
No matter how hot they are  
Don't let them play  
No matter what they do  
No matter what they say  
Don't let 'em in girls  
No, no way

Repeat 1

Pussycats

(All the ladies shut 'em down, shut 'em down)

Keep it tight

(No matter what they do or say)

Even if they bark all night

(All night, all night)

With a knick-knack patty wack

Don't give a dog a bone

Cause if he hit it

You gonna be all alone

Pussycats

(Uh pussycats, pussycats)

Keep it tight

(Mama always used to tell me)

Even if they bark all night

(All night, all night)

With a knick-knack patty wack

Don't give a dog a bone

Cause if he hit it

You gonna be all alone

Now lemme clear something up here

I know there's a lot of real men out there

Much love to y'all

But we talking the dogs out there tonight

To all the pussycats out there

Don't give it, don't give it up

Don't give a dog a bone

Don't give a dog a bone

Don't give a dog a bone...
