[Chorus: Afficial]

Yall niggas can't roll how we roll  
Live how we live stroll how we stroll  
Yall niggas can't roll how we roll  
Live how we live stroll how we stroll

[Master P]

I got a mansion in the hills but got apartment in the  
bricks  
I don't fucked supermodels but im married to ghetto  
chicks  
Ball in the NBA on the streets slang quarters  
Made ESPN for slangin 3's at Vince Carter  
I got a car lot of Benz's one in every color  
My sons only 10 and own a bubbleeye baby hummer  
I got a pink diamond in a safe worth about 20 karatz  
But I still hang wit thug niggas in the hood like T. Harris  
They should call em Arnold Shwartzenegar cuz I carry  
gold 4-5's  
And my mission in life is to make millions til I die  
They should retire my jersey cuz everything I ship be  
platinum  
And if you aint wit No Limit you don't know what's  
happenin

Chorus:

[Afficial]

F-L-A-L damn that's E-S  
Still spit game get head up in the G-S  
Rap game nice ball game nice  
Whole squad nice even when im shootin the dice im  
nice nice  
Even when im knowing im wrong im right right  
You prolly catch me rollin a blunt that's tight tight  
And everywhere im going im hearin A A  
Put a hand on my brother look niggas wouldn't dare  
16 guns got me 16 trials  
16 boss got you 16 thous  
16 shots get you 16 wholes  
my wholes fire eatin plus you niggas don't know

Chorus:

[Afficial]

Money talks bullshit walks that's the rules of the game  
Push my rover to the limit I abused the range  
Change cars like my clothes including shoes  
Wit a mansion in the hills wit 100 plus rooms  
I love cash but go to jail just to workout  
Get a year for G-P get big and get out  
I should sit out a season and quit rap for a while  
So I can go down south wit platinum teeth when I smile  
Excursion heavy milage rims like 30 inches  
Trucks so big I could scoot like 30 bitches  
Yall money short like 30 midgets  
Giani suit or No Limit gear I do business
