Superlove is something that they say is very rare
In the dark, in your world it's everywhere
And I feel like an x x rated movie star
It's the way you love me down
It's the way you love me down
Everytime we kiss you bring out the woman in me
Everytime you holler out my name you set me free
I am a sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
I am the automatic easy freak all over you
And I will stop it only when you tell me to

Superlove, gimme some, some, some
We are the genius of love
Feel like an x x rated movie star
It's the way you love me down
It's the way you love me down
Everytime we kiss you bring out the woman in me
Everytime you holler out my name you set me free
I am a sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
I am a sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
I am a sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to

When we seek and hide
When my hands are tied
