Chorus:

Everybody skate to the music, put your hands in the air
Don't stop 'til it grooves ya, and you feel it everywhere
Just skate to the music 'til you feel it going on
Don't stop 'til ya lose it baby
Everybody skate

Verse 1: It's Sunday night, and we're about to have a
ball

The place is packed, been thinkin' bout it all day long
People are jammin' and waiting for their favorite song
With everyone in a world of their own

Hook:

Can't wait to get up on the floor
And bounce around to the sounds
Don't just sit up on the wall
Get down, baby get down

Chorus

Verse 2:

The beat is bumpin', the lights are movin' to the groove
All in the light, we roll until the night is through
Only a minute, before it puts you in the mood
And from there, it's all up to you

Hook:

Can't wait to get up on the floor
And bounce around to the sounds
Don't just sit up on the wall
Get down, baby get down

Chorus till fade
