We've been indoctrinated and convinced by the white  
racist standard of beauty  
The overwhelming popularity of seeing, better off  
being, and looking white  
My brothers attempt to defy the white man's law and  
his system of values  
Defiles his white woman, but my mum, Master's in the  
slave house again  
Visions of her virginal white beauty  
Dancin'in your head  
Your soul's on ice  
Your soul's on ice  
Brother brother  
Are you suffering from a social infection mis-direction  
Excuse me does the white woman go better with the  
brooks Brothers suit?  
I have psychotic dreams  
Your jism in a white chalk line  
You let my sister go by  
Used to be customary to bow one's eyes at the sight of  
a white face konks and fade

Creams sad passion deferred dreams I am a reflection  
of you  
Black and blue pure as the tears of coal-colored  
children crying for acceptance  
You can't run from yourself  
She's just an illusion  
Black love anthems play behind white-skinned  
affection  
New Birth stereophonic spanish fly let her cry.  
But you no longer burn for the motherland brown skin  
You want blond-haired, blue-eyed soul  
Snow white passion without the hot comb
