Through early morning fog I see,  
Visions of the things to be,  
The pains that are withheld for me,  
I realize and I can see...

[REFRAIN]:

That suicide is painless.

It brings on many changes.

And I can take or leave it if I please.

I try to find a way to make,  
All our little joys relate,  
Without that ever-present hate,  
But now I know that it's too late, and...

[REFRAIN]

The game of life is hard to play,  
I'm gonna lose it anyway.  
The losing card I'll someday lay,  
So this is all I have to say.

[REFRAIN]

The only way to win is cheat,  
And lay it down before I'm beat,  
And to another give my seat,  
For that's the only painless feat.

[REFRAIN]

The sword of time will pierce our skins.  
It doesn't hurt when it begins.  
But as it works its way on in,  
The pain grows stronger...watch it grin, but...

[REFRAIN]

A brave man once requested me,  
to answer questions that are key.  
Is it to be or not to be?  
And I replied 'Oh why ask me?'

[REFRAIN]

'Cause suicide is painless.

It brings on many changes.

And I can take or leave it if I please.

...And you can do the same thing if you choose.
