Even after all this time  
After all these years  
After all the love we shared  
I still shed tears

We were once lovers  
Never loved any other  
You thought I'd never recover  
From your love  
But look at me  
Shining like a star  
You with all the money  
Who do you think you are  
If you think you own me  
Then I'm two steps ahead  
Now I know for sure  
That you won't see my tearshed

Chorus:  
Tearshed that I'm always holding back  
Tearshed is what you think I do  
But let me tell you boy that these tears I shed  
Were not because of you  
Repeat (1x)

Now that I'm shining  
I can't help see you crying  
Is that because of your lying to me  
Still look at me  
Shining like a star  
Me with all my money  
And my fancy car  
Don't you think you own me  
And I'm two steps ahead  
Now I know for sure  
That you won't see my tearshed

Chorus (3x)
