[Jadakiss](Mya)
Uh, huh
I don't wanna get the best of you, ha-ha (whoa)
Yo, yo

[Mya](Jadakiss)
You put me on
I can't let, (nah, yeah) let him go no
(I just wanna do what's best for you)
Can't let you get, oh no (Yo, yo)

He has a little game that he plays
Clever little ways and a hot boy style
Racks up on the dough that he makes
Flash a little cash watch girls wild out
Lately he's been checking for me
Telling me how much he wants to be
Wants to be the one to replace
Replace the man that waits at home for me

1 - But oh no I can't let you
Get the best of me
Even though deep inside
Something's dying to see
How you flow out them clothes
Then you put it on me
Feelings coming on strong
I know that it's wrong
I can't let you get the best of me

(You put it on me)
The best of me
(You put it on me)

So busy trying to play with my head
Telling me how he could blow my mind
Something about the things that he said
Made me want to take it there one time
I should be walking away
Cause his hands up on my thigh
Should I leave, should I stay?

After all it's just one night

Repeat 1

(You put it on me)

The best of me

(You put it on me)

[Jadakiss]

Yo, yo, yo I got so many bags of money

That they won't fit in the bank

And I'mma do this just like Tony did it to Frank

But I'mma make sure both y'all win

Let him keep the place you move

And I'mma pay both y'all's rent

So forget about the condo and come to the crib

Cause the castle over the mountain come with a bridge

You know literally we can go shopping in Italy

Hand on her thigh she don't wanna get rid of me

And she don't drink or know how a L look

Chanel look mixed with the Pete Arnell look

You just stay pretty while I'm running the city

When I whip the V you can hold the joint if you with me

Vacation cost a hundred and fifty we living it up

I put it on your ass if you giving up

And you know I'm not a hater

And if you feel bad then you can call him later

And tell him you all Jada's

[Mya]

Oh no I can't let you

Get the best of me

Even though deep inside

Something's dying to see

How you flow out them clothes

Then you put it on me

You ain't gonna get to me

You can't get the best of me

Repeat 1

Oh no I can't let you

Get the best of me

Even though deep inside

Something's dying to see

How you flow out them clothes

Then you put it on me

Oh yeah, oh...
