Open doors so I walk inside  
Close my eyes find my place to hide  
And I shake as I take it in  
Let the show begin  
Open my eyes  
Just to have them close again  
Well on my way  
On my way to where I graze  
It swallows me  
As it takes me in his home  
I twist away  
As I kill this world  
Open doors so I walk inside  
Close my eyes find my place to hide  
And I shake as I take it in  
Let the show begin  
Open my eyes  
Just to have them close once again  
Don't want control  
As It takes me down and down again  
Is that the moon  
Or just a light that lights this dead end street?  
Is that you there  
Or just another demon that I meet?  
The higher you walk  
The farther you fall  
The longer the walk  
The farther you crawl  
My body my temple  
This temple it tells  
"Step into the house that Jack built"  
The higher you walk  
The farther you fall  
The longer the walk  
The farther you crawl  
My body my temple  
This temple it tells  
"Yes this is the house that Jack built"  
Open doors as I walk inside  
Swallow me so the pain subsides  
And I shake as I take this in

Let the show begin  
The higher you walk  
The farther you fall  
The longer the walk  
The farther you crawl  
My body my temple  
This temple it tells  
"Yes this is the house that Jack built"  
The higher you walk  
The farther you fall  
The longer the walk  
The farther you crawl  
My body my temple  
This temple it tells  
"Yes I am I am I am"  
Open my eyes  
It swallows me  
Is that you there  
I twist away  
Away  
Away  
Away
