Sikinhead, deadhead
Everybody gone bad
Situation aggravation
Everybody allegation
in the suite, on the news
everybody dogfood
Bang bang shock dead
Everybodys gone bad

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

Beat me, hate me
You can never break me
Will me, thrill me
You can never kill me
Chew me, sue me
Everybody do me
Kick me hike me
Don't you black or
white me!

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

Tell me what has
become of my life
I have a wife and two
childre who love me
I am the victim of police
brutality, now
I'm tired of bein the
of hate, you're rapin'

me of my pride
Oh for God's sake
i look to heaven to fulfill
it's prophecy...
Set me free

Skinhead, deadhead
Everybody gone bad
Trepidation, speculation
Ecerybody allagation
In the suite on the news
Everyboda dogfood

Black man black male
Throw the brother
in jail

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

Tell me what has become
of my rights

Am I invisible cause you
ignore me?
Your proclamation
promised me free liberty
I'm tired of bein the victim
of shame
They're throwin' me in a
clas with a bad name
I can't believe this is the
land from which I came
The government don't
wanna see, but if
Roosevelt was livin he
wouldn't let this be, no, no

Skinhead, deadhead
Everybody gone bad
Situation, specultaion
Everybody litigarion
Beat me, bash me
You can never trash me
Hit me, kick me
You can never get me

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

Some things in life they
just don't wanna see

But if Martin Luther was
livin', he wouldn't let
this be no, no
Skinhead, deadhead
Everybody's gone bad
Situation Segregation
Everybody allegation

In the suite an the news
Everybody dogfood
kick me Hike me
Don't you wrong or
right me

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us

All I wann say is that
They don't really care
about us
All I wann say is that
They don't really care
about us
