Well it sure feels good to come in here
And just pull up a seat
A frosty mug of a cool one
Helps to beat the heat
These old dog days of summer
Lord I'll be glad when they're gone
It's too hot to fish and
Too hot for golf and
Too cold at home
Well that baseball game on TV
Takes me back to when I was a kid
We proudly wore those uniforms
Just like the Dodgers did
Yea we won a few games and lost a few
And for me it still goes on
It's too hot to fish and
Too hot for golf and
Too cold at home
Well I only planned on one or two
I might stay for three
If that good looking thing in the corner
Keeps smiling back at me
It's so easy not to care
Bout what's right or what's wrong
It's too hot to fish and
Too hot for golf and
Too cold at home
Yea I only planned on one or two
I might stay for three
It's that good lookin' thing in the corner
Keeps smiling back at me
It's so easy not to care
Bout what's right or what's wrong
It's too hot to fish and
Too hot for golf and
Too cold at home
