Yeah, yeah, yeah
Jack Knight and Dakoda House
All we wanna do is make you bounce
Monifah, would you turn me out?
Show me what your thing is all about
Jack Knight and Dakoda House
All we wanna do is make you bounce
Monifah, could you turn me out?
Show me what your thing is all about
Do you really wanna touch it
Do you really wanna mess with me tonight
Oh, and if you know how I like it
Would you call my name and give it to me right
Could you just put that thing on me
So I can just freak on you
And you could just freak on me
And I will give it to you all night long
I'mma show your body what your lips are doing wrong
Ooh
1 - Do you really wanna touch it
Do you really wanna fuck with me tonight
Oh, and if you know how I like it
Would you call my name and give it to me right
Slow love just feels so good to me
So could you just move it on up 'cause I want ecstasy
And I will give it to you all night long
I'mma show your body what your tongue's doing wrong
Ooh
Repeat 1
Give it to me give it to me call my name
This boy's shyness got me wet like crazy
I want it more and more
When you call my name and spank me
Ooh
Repeat 1
Repeat 1
Yeah, yeah, yeah
Jack Knight and Dakoda House
All we wanna do is make you bounce
Monifah, would you turn me out?
Show me what your thing is all about

Jack Knight and Dakoda House
All we wanna do is make you bounce
Monifah, could you turn me out?
Show me what your thing is all about
Repeat 1

Suck me
