Washed my hands of crimes  
Pour the water over my skin, my spine  
Cleans my soul and ease my mind  
I've been fixed all the damage done  
Why do I always forget how far I've come?

I'm done dying for the past  
I'm done dying for the past

Sins all forgiven now  
Let's call an even ????  
Can't you judge me for my love  
And not mistakes I've made  
I swear by who I am and not by yesterday

I'm done dying for the past  
I'm done dying for the last time  
The last time, the last time, the last time

In between black and white I disappear  
Circled around the stone until I landed here

I'm done dying for the past  
I'm done dying for the past  
I'm done dying  
I'm done for the last time
