Ain't gonna waste my hate
Ain't gonna waste my hate on you
I think I'll keep it for myself
Ain't gonna kill no more
Ain't got the time to help you score
I think it's time you pleased yourself
Yourself
Doing dead
I would do in the same
A smile to you
Don't waste
Waste your breath
Now I will waste my hate on you
Waste my hate on you
And I think your working now
You think enough to even raise the brow
And to life that tip that you belong
Come on
When I see my hate I see my feet
I feel that blood that pumps in me
Where the hell's my mind
Don't know
Don't know now
Doing dead
I would do in the same
A smile to you
Don't waste
Waste your breath
Now I will waste my hate on you
Waste my hate on you
Then I'll keep it for myself
Hate
Ain't gonna waste my hate
But I don't clean it when they say
Better to give then to receive
Ain't gonna waste my hate
Ain't got time to waste my hate on you
I think I'll keep it all for myself
For myself
Doing dead
I would do in the same

A smile to you
Don't waste
Waste your breath
Now I will waste my hate on you
Waste my hate on you
Think I'll keep it for myself
Yeah
Hate
