(Michael Jackson)

Ho...hey, hey
No, no, oh, no, oh, no
No, no, no

How many people will have to die
Before we will take a stand
How many children will have to cry
Before we do what we can

If sending your love
Is all you can give
To help one live (Mmm, hmm)

How many times can we turn our heads
And pretend we cannot see
Feeling the wounds of our broken earth
We're one global family

Just sending your prayers
Is something you feel
Helping one heal

What have I got that I can give (What have I got that
I can give) [Tell me]
What have I got that I can give (Yeah, yeah, oh, ho)
To love and to teach you
To hold and to need you [Hold and to need you]
What more can I give (More can I give, oh)

Brother to brother lay down our fears
And reach out and make a pact
Showing love that is in our hearts
Let us bring salvation back

Just sending your love
Has the power to heal
So let's all give

What have I got that I can give (What have I got that

I can give)
{It's not a lot to give, just a little bit}
What have I got that I can give {Everyone should be a
part of it}
To love and to teach you
To hold and to need you {Yeah}
What more can I give (Oh)

Say the words
I'll lay me down for you
Just call my name
I am your friend

See, then why do they keep teaching us
Such hate and cruelty
We should give over and over again

What have I got that I can give (Would you give over
and over again)
What have I got that I can give (Oh, my God, oh, my
God)
To love and to teach you
To hold and to need you
What more can I give

What have I got that I can give
What have I got that I can give (Give you, give you)
To love and to teach you
To hold and to need you [Oh...]
What more can I give {What more}

What have I got that I can give {Can I give}
What have I got that I can give (Give to you, give it
to you, see)
To love and to teach you [Oh, yeah]
To hold and to need you [Oh, yeah]
What more can I give

What have I got that I can give (To you, that I can
give to you)
What have I got that I can give
To hold and to see you [Oh, no]
To love and to feel you
What more can I give

What have I got that I can give
What have I got that I can give
To love and to teach you
To hold and to need you
What more can I give

What have I got that I can give
What have I got that I can give
To hold and to see you
To love and to feel you
What more can I give
