Don't you color me by the way you paint your picture
I'm happy just the way I am
It's been soaked into my bones, a child under pressure
I'm a bastard of the master plan
I wanna live my life
Don't wanna live a lie
I hear freedom ringin'
Everyone's got a place
But where do I fit in
Don't go sellin' me a dream you can't deliver
Like a dog in a cat suit, it's a poor disguise
Strange little angels a parade of saints and sinners
Greetings from the other side
I wanna live my life
I don't wanna live a lie
I hear freedom ringin'
Everyone's got a place
But where do I fit in
I was walking on glass from a thousand broken mirrors
Saw my reflection stare me down
I tried to run, I was going through the motions

I got my feet on solid ground

I wanna live my life

Don't wanna live a lie

I hear freedom ringin'

I wasn't the same as you baby

But take a walk in my shoes

I hear freedom ringin'

Everyone's got a place

But where do I fit in
