A man we passed just tried to stare me down  
And when I looked at you you looked at the ground  
I don't know who he is but I think that you do

Chorus:

Dag gummit  
Who is he and what is he to you

Something in my heart and in your eyes  
Tells me he's not someone just passin' by  
And when you cleared your throat was that your cue

Chorus

Now when I add the sum of you and me  
I get confused and I keep coming up with three  
You're too much for one but not enough for two

Chorus

Now you think I'm one not much for intuition  
Lord is that what you really think or are you wishin'  
Before you wreck your old home be certain of the new

Chorus
