Once all alone  
I was lost in a world of strangers  
No one to trust  
On my own, I was lonely  
You suddenly appeared  
It was cloudy before but now it's clear  
You took away the fear  
You brought me back to life

You are the sun  
You make me shine  
Or more like the stars  
That twinkle at night  
You are the moon  
That glows in my heart  
You're my daytime my nighttime  
My world  
You're my life

Now I wake up everyday  
With this smile upon my face  
No more tears, no more pain  
Cause you love me  
You help me understand  
That love is the answer to all that I am  
And I'm a better man  
You taught me by sharing your life

You are the sun  
You make me shine  
Or more like the stars  
That twinkle at night  
You are the moon  
That glows in my heart  
You're my daytime my nighttime  
My world  
You're my life

You gave me strength  
When I wasn't strong  
You gave me hope when all hope is lost

You opened my eyes when I couldn't see  
Love was always here waiting for me
