Ho...oh...

My life will never be the same
'Cause girl, you came and changed
The way I walk
The way I talk

I cannot explain the things I feel for you
But girl, you know it's true
Stay with me, fulfill my dreams
And I'll be all you'll need

Oh, oh, oh, oh, ooh, it feels so right (Girl)
I've searched for the perfect love all my life (All my
life)
Oh, oh, oh, oh, ooh, it feels like I (Like I)
Have finally found her perfect love is mine (See, I
finally found, come on, girl)

You rocked my world, you know you did
And everything I'm gonna give (You rocked my world)
And there ain't nothing we could find
Someone like you to call mine (You rocked my world)

You rocked my world, you know you did (Girl)
And everything I'm gonna give (I want you, girl)
And there ain't nothing we could find
Someone like you to call mine

In time I knew that love would bring
This happiness to me
I tried to keep my sanity
I waited patiently

Girl, you know it seems
My life is fully complete
Our love is true because of you
You're doin' what you do

Oh, oh, oh, oh, who'd think that I (Oh)
Have finally found the perfect love I searched for all

my life (Searched for all my life)
Oh, oh, oh, oh, who'd think I'd find
(Whoa...oh...oh...)
Such a perfect love that's so right (Whoa, girl)

You rocked my world, you know you did (Come on,
come
on, come on, come on)
And everything I'm gonna give
And there ain't nothing we could find (Girl)
Someone like you to call mine (You rocked my world)

You rocked my world (You rocked my world), you know
you did
And everything I'm gonna give (Girl, girl, girl)
And there ain't nothing we could find
Someone like you to call mine (Girl)

You rocked my world, you know you did (Oh)
And everything I'm gonna give (You rocked my world)
And there ain't nothing we could find
Someone like you to call mine

You rocked my world (Oh...), you know you did
And everything I'm gonna give (To rock my world)
And there ain't nothing we could find
Someone like you to call mine

Girl, I know that this is love
I felt the magic all in the air
And girl, I'll never get enough
That's why I always have to have you here, hoo

You rocked my world (You rocked my world), you know
you did
And everything I'm gonna give (Look what you did to
me, baby, yeah)
And there ain't nothing (Yeah, yeah) we could find
Someone like you to call mine (You rocked my world)

You rocked my world, you know you did (Know you did,
baby)
And everything I'm gonna give ('Cause you rocked my
world)
And there ain't nothing we could find (Hoo, hoo)
Someone like you to call mine

(You rocked my world)
You rocked my world, you know you did
(The way you talk to me, the way you're lovin' me)
(The way you give it to me)

You rocked my world, you know you did
(Give it to me)
(Yeah, yeah, yeah...yeah...ooh)
You rocked my world (You rocked my world), you know
you did
(You rocked my world, you rocked my world)

(Come on, girl) You rocked my world (Come on, girl),
you know you did
(Baby, baby, baby)
And everything I'm gonna give
And there ain't nothing we could find
Someone like you to call mine

You rocked my world, you know you did
And everything I'm gonna give
And there ain't nothing we could find
Someone like you to call mine
