I know what you're thinking baby  
I used to be just like you  
You move when she's not looking baby  
One sugar ain't enough for you

You, you're taking out your loans  
You're burying your bones  
Before your cover's blown  
You better take it home

I like the way you look  
I know you like me  
But one and one and one  
Baby makes three  
Stop playing those eyes  
If you want me to keep  
Your little secret

Tell it softly to me baby  
You never meant no one no harm  
Your wonderland's a mirror baby  
It's swiftly fading like your charm

You, you're stepping out of line  
You're spilling all the wine  
Leave it on the vine  
I can't give you mine

I like the way you look  
I know you like me  
But one and one and one  
Baby makes three  
Stop playing those eyes  
If you want me to keep  
Your little secret

I could I won't  
I can't I don't  
You make it hard  
Talk down my guard  
My senses soaked

My ego's choked  
I will not lie  
Will not lie...
