Little woman got that look in her eyes
Want to cut me down to size
Show me watcha gonna do...
It's true
Who's that gorilla standin' by
Your side
Oh no that must be your ride
You wouldn't be with such a fool
Or your mama too

There's something over here i
Want you to see
There's a party but it isn't
For three
Get something straight between
You and me...because

Oh, no you're invited but your
Friend can't come
Oh, no come on baby we're
Gonna have some fun...wow

Heartbreaker yeah you came for
The show
But little did you know you'd
End up in the spotlight
Well all right
Come on baby won't you show me
What you've got
Ready or not...one, two, here we go
Oh no

Nobody's watchin' it's
Time decide
Shake the monkey, mama don't be shy
Come on honey time to take a
Little ride because

Oh, no you're invited but your friend can't come
Oh, no come on baby we're
Gonna have some fun

Oh, no you're invited but your friend can't come
Oh, no you're invited but your friend can't come

Rock the night like a hurricane
Make me sweat like the
Drivin' rain
Pour it on till I can't get
No reaction
It's gonna be your night
Tonight
I'm gonna make you feel all
Right
Scream and shout, I need it
Now!
Now! now! now!

I'm making plans for the rest
Of the night
So tell your guard dog he
Better not bite
My dogs are bigger and they're
Ready to fight

Come on...come on...come
On...give it up tonight
Oh, no you're invited but your
Friend can't come
Oh, no come on baby we're
Gonna have some fun
Oh, no you're invited but your
Friend can't come

Oh, no come on baby we're
Gonna have some fun

We're gonna have some fun
We're gonna have some fun
Have some fun, baby..oh..she
Can't come...

Lick it
