I skimmed across black water, without once
submerging
Onto the banks of an urban morning
That hungers the first light, much much more
Than mountains ever do.

And she like a ghost beside me goes down with the
ease
Of a dolphin
And emerges unlearned, unshamed, unharmed.
For she is the perfect creature, natural in every
Feature
And I am the geek with the alchemists stone.

For all of you who must discover, for all who seek to
Understand
For having left the path of others, you find a very
Special hand

And it is a holy thing, and it is a precious time
And it is the only way

Forget-me-nots among the snow, it's always been and
so
It goes
To ponder his death and his life eternally

For all of you who must discover
For all who seek to understand
For having left the path of others, you find a very
Special hand

And it is a holy thing, and it is a precious time
And it is the only way
Forget-me-nots among the snow, it's always been and
so
It goes
To ponder his death and his life eternally

One bright blue rose outlives all those
Two thousand years and still it goes
To ponder his death and his life eternally
