Little dolly
Follow
I'll feed you sugarcane

Keep me close, hold me tight
Keep me close, hold me tight

Oh my little dolly, follow
Follow, holler
Follow, hollering
Oooh, sweet, oooh sweet
You can touch me where it's forbidden
You can touch me where it's forbidden

Follow
Follow, holler
Follow, hollering
Little dolly's paper heart is wafer thin
Oh, dolly
Little dolly's paper heart is wafer thin
Oh, dolly
Wafer
Come and see
Sick
