China girl was a little girl from a town
That's all you need to know

Lolita was a man-eater
Clocked him like a taxi meter

Fuck gold, she was a platinum digger
Shakin' ass, making moves on a mover

Visa, then a plane ride to ya
Peace out, she'll kill you like uma

She skipped away to the shop
She found she didn't have enough

She clocked him looking right at her
And sucked on a lollipop

She skipped away to the shop
She found she didn't have enough

She clocked him looking right at her
And sucked on a lollipop

China girl grew up to be a big girl
Had her sights set on a bigger world

Dial-a-bride from Sri Lanka
Found herself a Yorkshire banker

Need a visa? Got with a geezer
Need some money?
Paid him with her knees up
Year later, started to ease up
Got her own way, shouted out 'see ya'

She skipped away to the shop
She found she didn't have enough

She clocked him looking right at her
And sucked on a lollipop

She skipped away to the shop
She found she didn't have enough

She clocked him looking right at her
And sucked on a lollipop

Yea, what can I get for 10 \$?
Anything you want, anything you want
Anything you want, anything you want
Anything you want, anything you want
Anything you want, anything you want
