London

Quieten down and I need to make a sound

New York

Quieten down and I need to make a sound

Kingston

Quieten down and I need to make a sound

Brazil

Quieten and I need to make sound

They comin' through the window

They comin' through the door

They bustin' down the big wall

And soundin' the four

They comin' through the window

They comin' through the door

They bustin' down the big wall

And soundin' the hall

What you want?

Bucky done gun

What you want now?

Fire done burn

What you want?

Bucky done gun

Get crackin'

Get get crackin'

What you want?

Bucky done gun

What you want now?

Fire done burn

What you want?

Bucky done gun

Get crackin'

Get get crackin'

Time to spare, new shit

I'm rockin' on this new bed

I'm hot, now you'll see
I'll bite you just to get peace

Heavyweight wrestler
Fight me in you're comfort, ah
I let you be superior
I'm filth with the furior

London
Quieten down I need to make a sound
New York
Quieten down I need to make a sound

Kingstown
Quieten down I need to make a sound
Brazil
Quieten down I need to make sound
I'll hard drive your bit
I'm battered by your sumo grip
Lucky I like feelin' shit
My stamina can take it

Gymnastics super fit
Muscle in the gun clip
Bite teeth, nose bleed
Tied up in a scarf piece

What you want?
Bucky done gun
What you want now?
Fire done burn

What you want?
Bucky done gun
Get crackin'
Get get crackin'

What you want?
Bucky done gun
What you want now?
Fire done burn

What you want?
Bucky done gun
Get crackin'
Get get crackin'

Can I get control?
Do you like me vulnerable?
I'm armed and I'm equal
More fun for the people

Physical, brute force
Steel, lion you're the boss
Yeah, you're so do-able
Grind me down sugar slow

What you want?
Bucky done gun
What you want now?
Fire done burn

What you want?
Bucky done gun
Get crackin'
Get get crackin'

What you want?
Bucky done gun
What you want now?
Fire done burn

What you want?
Bucky done gun
Get crackin'
Get get crackin'
