We do it cheap, hide our money in a heap  
Send it home and make 'em study, fixing teeth  
I got family, a friend in need, hand to throw the  
gasoline  
A mobile phone hooked up to the scene  
Hello my friend, yes, it's me

Don't be scared, there's something going on  
I'm getting money since I grown  
Could be dash, go out and hussel 'em  
But I hate money 'coz it makes me numb

Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?  
Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?

You think it's tough now, come to Africa  
You think it's tough now, come to Africa  
You think it's tough now, come to Africa  
You think it's tough now, come to Africa

See, out there we are grinding like pepper  
You can catch me on the motorway  
Selling sugar water and pepper  
I rep Africa not Miami

Hussel, hussel with M.I.A.  
I'm broke, I've got indefinite stay  
You can't touch me like leprosy  
I hussel head from here to Sri Lanka

My mum told me to be an accountant  
Bun that, I wanna work in a corner shop  
Contact Sugu, he's got the contacts, maybe  
I'm illegal, I don't pay tax, tax

EMA, yes, I'm claiming that that  
Police I try to avoid them  
They catch me husseling they say deport them

Hussel, hussel, hussel, grind, grind, grind

Why has everyone got hussel on their mind?  
Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?

Hey, African boy  
You know I'm big in Mozambique

Hello my friend, hello my friend  
Hello my friend, yes, it's me  
Hello my friend, hello my friend  
Hello my friend, yes, it's me

4 by 3, 3 buy 3, buy 1 song, get 1 free  
Maybe me, a bootleg CD, colour TV or a DVD  
We got barrels in the sea  
It's big enough to take a whole family, we drum on it  
Ja jun cha cha gegujun cha, jun cha cha gegujun cha

Come, sit by me, let me tell you we  
Don't do bling but we do white tee  
Up some jungle, up some tree  
One second, my phone's ringing

It's my friend Habibi, he then went drop called me  
Cheap Moroccan got no credit than me  
Y'all got less credit than me  
I keep back tab at a shop like a gee  
'Coz without me there'll be no choco Hershey

Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?  
Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?

Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?  
Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?

Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?  
Hussel, hussel, hussel, grind, grind, grind  
Why has everyone got hussel on their mind?
