When I'm on the phone  
I get no reception here

Miss, would you be interested in switching onto  
a month of service providings  
to a provider that provides a better service of internet  
service  
providing than your current provider  
....uh

I was walking down the street  
And the buildboards seemed to stare  
And the purses seemed to date  
And dated what they did wear

And the buildings on the bankquet  
You dresses it so here  
When I'm on the phone  
Theres no reception here

You don't understand me  
You don't know my game  
I say "whats the malfunction?"  
You say "the internet connection!"

I'm down like my internet connection  
I'm down

I crashed again last night  
I was on there surfin out of my mind

The system shutted down  
They tried to take what found  
I'm holdin shit around town  
Tryin to hold me down

I'm standing at the station  
In need of education  
Its the medicated nation  
We can't be more patient

You don't understand me  
You don't know my game  
I say "whats the malfunction?"  
You say, "the internet connection!"

I'm down like my internet connection  
I'm down

I crashed again last night  
I was on there surfin out of my mind

Dude  
Something dude  
Something dude  
Dude something

I'll date you  
I'll take you a while  
I'll peck him on the lips  
I'll take him on my hips  
These geeks are just freaks  
And I got em on my flip

I'm gettin off the computer  
I'm going to do something  
Yeah something

I'm down like my internet connection  
I'm down  
I crashed again last night  
I was on there surfin out of my mind

You got the beat  
Turn it up  
You got to give it to me
