I'm here to paint what is written on ya face  
'Cause these are the days we are losing our ways  
To find better ways to say what nobody says

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz  
And this is how I'm feeling

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz  
And this is how I'm feeling

Today  
It iz what it iz, shorty  
Today  
It iz what it iz, shorty

I got affected but I effect a lot more  
They all got issues but I got a bit more  
I put it in boxes and I put it in a store  
I hope you really like it, I can do you some more

Yeah, I'm gonna say something  
Even if you think it's nothing  
'Cause one day you are gonna say that  
Today was bumping

Yeah, I'm gonna say something  
Even if you think it's nothing  
And someday you are gonna say that  
Today was bumping

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz  
And this is how I'm feeling

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz

And this is how I'm feeling

Today  
It iz what it iz, shorty  
Today  
It iz what it iz, shorty

Maybe it's just us or maybe it just me  
We can have discussions while we are playin' Wii  
It iz what it iz, shorty, what it iz, shorty

Maybe it's just us or maybe it just me  
We can have discussions while we are playin' Wii

Yeah, I'm gonna say something  
Even if you think it's nothing  
And someday you are gonna say that  
Today was bumping

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz  
And this is how I'm feeling

We're living on the edge  
And my motorcycle's speeding  
It iz what it iz  
And this is how I'm feeling
