Jimmy gone M.I.A.
Come back Jimmy

When you go Rwanda, Congo
Take me on your genocide tour
Take me on a truck to Darfur
Take me where you would go

Got static on the satellite phone
Got to get you safe at home
Gonna get you somewhere warm
So you get me all alone

Jimmy aaja
Jimmy aaja
Jimmy aaja
Jimmy aaja

Time and time and time and time again
You keep pushing that button
But I don't know what you're saying

Hit me on aim, trying flip me on some game
Are you coming, are you going
Are you leaving, are you staying?

You told me that you're busy
Your loving gets me crazy
I know that you hear me
Start acting like you want me

You told me that you're busy
Your loving gets me crazy
I know you can hear me
Start acting like you want me

Time and time and time and time again
You keep pushing me, what you saying?
Hit me, hit me on aim and flip me some game
But I still don't know what you're saying

You told me that you're busy

Your loving gets me crazy
I know that you hear me
Start acting like you want me

You told me that you're busy
Your loving gets me crazy
I know you can hear me
Start acting like you want me

Jimmy aaja
Jimmy aaja
Jimmy aaja
Jimmy aaja

Jimmy, I love you
Hear me sing
