When a girl's in love
It's a fucked up thing
When a girl's in love
It's such a fucked up thing (2X)

And it's all in the game
it is a game for love
it is a game for two
it is a game for me and you

Gotta take it easy (x4)

If you love me show me that
It's enough you give me that
put me on a pedestal
and show me you can better that

i tell my baby lover that
it's a fact we're breaking up
i stick with it to understand
that these days can handle that

When a girl's in love
It's a fucked up thing
When a girl's in love
It's such a fucked up thing (2X)

Got a love that's breaking up
Got a love that takes too much
had my fingers in his bed
he's cooling off, he got too hot

Baby's scared of making it
and I'm too tired of wasting it
Blind but he still thinks he sees
all this time been racing me

if love is like a wishing well
there's a ground of pennies in his hell
loving him, it feels like shit
it's all I know

it's how I live

And it's all in the game
it is a game for love
it is a game for two
it is a game for me and you

Gotta take it easy (x4)
