### "Tell Me Why"

You won't gimmie no mo'  
You won't gimmie no mo'  
You won't gimmie no mo'  
You won't gimmie no mo'  
You won't

Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same  
Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same

I've been coming up for a while on your radar  
And I know I made it just by counting up my haters  
I got a speedboat get away like later  
You better have a load of cheddar if you don't got data  
Cause you can live it up, pull it up, start reeling  
Start throwing hands up like you're mad at the ceiling  
You could make a killin' but don't forget the feeling  
People stealing money and down with double-dealin

You won't gimmie no mo'  
You won't gimmie no mo'  
You won't

Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same  
Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same

You can take me courthouse  
You can take me jail  
You can take me anywhere

But you can't get me there  
You can ask me where I'm going and I'll tell you crazy  
But when I get to where I'm going you should come with  
me  
You've be staying up, pull me up start reeling  
I'm throwing up my hands like I'm mad at the ceiling

Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same  
Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same

I got roots for my head  
I got food in my paw  
And the old ways are dead with the now ones we got  
There's water in my paw  
And I'm half in half not  
And the old kind is broke with the new kind we bought  
I drink alcohol  
Know the words to Wonderwall  
I read like a code  
While I do my time on road

Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same  
Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same  
Tell me why  
Things change but it feels the same  
If life is such a game  
How come people all act the same
