You can watch tv and watch the media
President Bush doing takeover
Kate Moss in ads for mascara
Oh my uth the young offender
The bill payers the drug dealers
Girls who are on magazine covers
The part-time jobbers at a call centre
No career plans cause you won't go far
Put away change for Ibiza
And check your credit on your new Nokia

You can be a follower,
But who's your leader?
Break that cycle or it will kill ya 2X

You leader, you lead
Come do what you do now
What's really good
That gonna happen to you? 2X

Your Prime Minister to ya employer,
Ego lovers need more power
The trend-setters make things better
Don't sell out to be product pushers

The giro-casher and baby maker
Try something new cos it aint over

All poor people from all over,
The lottery's got a rollover

You can be a follower,
But who's your leader?
Break that cycle or it will kill ya 2X

Cherokee Indians and
Iraqi and Indian, girl dem a girls when it comes to the
fellas dem.
Japanese, American, Caribbean, African, that's your life
Who the fucks your president?
You no get my life cos I don't have a side and
I spread out biy i'm a mile wide and

I got brown skin but i'm a west Londener,
Educated but a refugee still,
You wanna war your old you go
You wanna fight you suck you blow

Na 18X
OI! OI!
