You better hide,
the beast of night seeks you out with rage and
vengeance on his mind.
The meek die, as genocide, empowers everyone, that
sanity defies.

"Greed, will, feed", devolution.
"Greed, will, feed", devolution.

Turn up the heat, face the beat,
there's no justice, just unjust in the streets.

They march fourth, they march hard, and rally cries of
coming reich's,
sounds the worlds ALARM.

"Greed, will, feed", devolution.
"Greed, will, feed", devolution.

Defy - Deface - Destroy. Devolution.
Defy - Deface - Destroy. Devolution.

The end of all.
There's no solution.
