Jim Gorden, the man who was insane  
Jim Gorden, had Glaxo in his brain  
Jim Gordon was insane  
He took his mother's life  
He used the hammer first  
So she wouldn't feel the knife  
He's gone insane  
He's lost his mind  
The voices in his head  
Prove the bastard nuts  
He bashed his mother's head in  
Because she killed Paul Lynd  
He couldn't play the drums  
Cause people moved his hand  
Was he just a mad man  
We may never understand  
He's gone insane  
He's lost his mind

The voices in his head  
Prove the bastard nuts  
He bashed his mother's head in  
Because she killed Paul Lynd
