Living in a country where freedom is provided  
Where scumbags burn the flag, and GOD is not recited  
Blame society and the generations past  
But your principals get lost when it comes to cash

Driving down the streets of gold, for which you never  
fought  
Hyping out everyone to fight for your cause  
Blaming everyone for indians that fell  
As the checks come rolling in and the t-shirts start to  
sell

Rage - against - the mac machine  
Cashing in - sell-out hypocrites!  
Corporation dollars fund your benefits  
As they press up all your records  
And buy your k-rock hits  
You fucking hypocrites!

You want to free Tibet, because you think that Tibet's  
got it bad  
Fuck you, fuck Tibet, fuck your fans  
Move there if you feel so sad!  
Raise a lot of cash and ship it to Tibet  
You hypocrites, did you forget  
There's people starving in our own backyards

Complain about the world - it's hatred and it's strife  
Complain about the world - toxic waste, pollution, loss  
of life  
Complain about the world - your anger is a message  
A westcoast liberal, douchebag, dickhead  
Millionaire's perspective

Rage - against - .....

Freedom - isn't free  
Freedom - isn't free  
Why do you rage against freedom?

Rage - against - .....
