Call on me...  
When you need some help with a dream.  
Call on me...  
When you've lost your self esteem.  
Call on me...  
When you feel a little low.  
Call to me...  
When you need a picker-up.  
Call to me...  
When you know that you've fucked up.  
Call to me...  
For your daily fantasy.  
Cause I'm your wettest wet dream.  
Still life, dead brain.  
Outcast, insane.  
Get bent, repent.  
Choose death, you'll save on rent.  
You gonna see the light tonight..tonight..tonight.  
You gonna pay the price in full tonight.

Reach for me...  
And be taken by the hand.  
Reach for me...  
And you will meet the man.  
Reach for me...  
And your burden will be mine.  
Pray to me...  
And I will be obtained.  
Pray to me...  
And your life will be ordained.  
Show me your faith...  
And your cup will overflow.  
Still life, dead brain.  
Outcast, insane.  
Get bent, repent.  
Choose death, you'll save on rent.  
You gonna see the light tonight..tonight..tonight.  
You gonna pay the price in full tonight.
