Chorus

Are you there
[I need you here by my side]
I can't hear you
[So you can help me fly]
Are you there
[I really need you here]
I can't feel you
[To take away all the fear
Because I'm thinkin my heart is just gonna fail
Without you here to comfort me
My body's goin frail]

Verse 1

I need you there by my side
I've done everything, I've tried
I wish you were here
To hold my hand, my dear

Chorus

Verse 2

Stand right here beside me
Open my eyes and let me see
Stand right here, right here
And hold me here, my dear

Bridge

I try to move, but my legs are broken
I try to hear, but no one has spoken
I try to breathe, but my lungs are clogged
I try to see, but my visions fogged

Rap

I wanna know what my loneliness is all about
Me standing out in the cold
What's this all about
Your supposed to be beside me
Supposed to be near me
Keeping me away
From the problems that kill my day
But are you even there

I can't feel you
Are you even there
I can't hear you
So I'm thinkin my heart is just gonna fail
Without you here to comfort me
My body's goin frail

Bridge
