(Verse 1-Miller)

Out of color
Turning blue
Just like the water
I push you under and watch you suffocate
Why do I hate you so much

(CHORUS)

Watch you die from a mess you made,
It's alright, on another day
What I mean is, I'm tryin to say
You're gonna drown in your lies
Your gonna drown in front of my eyes

(Verse 2- Miller)

Why I should I even try to help you
After ages and ages
Of all the shit you put me through
There was a slight indication
That you were showing improvement
But you couldn't stay off the drugs
That Satan seemed to push you to

CHORUS

You're gonna drown
In your lies
Your gonna drown
In front of my eyes
You'll be ok

(CHORUS)

In front of my, In front of my eyes
In front of my, In front of my eyes

(Rap-Ryan)

You couldn't stay sober
The drugs turned you over
They messed with your brain
Falling upon you like rain
They filled up

Made you a fool
Now I'm standing here
Drowning you in my pool
