(Verse 1)

Your body is like a weak cage  
Your frustrations are all crammed in it  
You don't tell anyone what you're dealing with  
You just keep it inside  
Your body holds in a frightening rage  
Because you're sick of all this shit  
You won't tell me what you're dealing with  
You just try and push it aside

(Chorus)

But the more you push  
The madder you get  
Tell me what you're feeling  
And you won't stay upset  
I hate it when you cry  
And you're past feeling blue  
But you won't open your mouth  
When I want to help you

(Verse 2)

Your head is aching  
Your muscles keep tense  
You don't tell anyone what you're dealing with  
You just keep it inside  
Your misery keeps you shaking  
Your face stays broken  
You won't tell me what you're dealing with  
You just try and push it inside

Chorus

(Rap)

Open up  
Keep it up  
Don't let your emotions cave in  
Open up  
Keep it up  
Raise up your lowered chin

Chorus

Rap (repeat 2x)
