Guilty Lane-Everything was Ok
Nothing ever ended up
This way
If this had to be
What I wanted to see
From you to me

(Nothing really feels the same
I walk down Guilty Lane
Don't know where I will
End up
You think I like this feeling
That is never leaving
Feeling guilty
Walking down Guilty Lane
Down Guilty Lane)

And this time
Maybe I will find
This same old feeling
Stuck in my stomache and making me sick
I promise this time it's not a trick
Feel like I've been tellin' a lie
Please O' God
Please O' God
Please O' God
Telling a lie
Please O' God
Please O' God
Please O' God
Tell me why

(Nothing really feels the same
I walk down Guilty Lane
Don't know where I will
End up
You think I like this feeling
That is never leaving
Feeling guilty
Walking down Guilty Lane
Down Guilty Lane)

Goodbye
Goodbye
Goodbye
To all the lies
Goodbye
Goodbye
Goodbye
And

(Nothing really feels the same
I walk down Guilty Lane
Don't know where I will
End up
You think I like this feeling
That is never leaving
Feeling guilty
Walking down Guilty Lane
Down Guilty Lane)

Feeling Guilty
Feeling Guilty
Feeling Guilty
Down Guilty Lane
