Here I stand
By myself
Here I am
With no one else
I love the feeling
Of being alone
All by myself
All by myself

(Screaming
And pushing
Through this
Here Alone
I'll stand
Until I fall down
Here Alone
And while I am here
I'll piss away the fear
That seems to
That seems to
Take over everything)

Everything that I believed
Everything that I need
And when my heart stops beating
Will anyone be here
Will I be alone for eternity
Or will I find someone that actually cares
For me.....
For me

(Screaming
And pushing
Through this
Here Alone
I'll stand
Until I fall down
Here Alone
And while I am here
I'll piss away the fear
That seems to
That seems to

Take over everything)

My heart is burning
My color's turning
A pale white
And I feel so scared
In a world full of nothing
But a scared little boy
With no one there
To care
